Richard P. Kane Natural Area		Wetland	Active	New Jersey	Unknown	234	acres	2010	Information is from news article: http://www.southbergenite.com/NC/0/2435.html	The entire Richard P. Kane Natural Area is 587 acres, but "Florida-based EarthMark Mitigation Services is leasing the land for \$6 million to create and oversee what is known as a mitigation bank. EarthMark is in the initial stages of mitigating 235 acres, the first of 352 total in the massive tract of land that will be allowed to be used for mitigation credits. EarthMark is spending \$25 million on the project." (source - 2010 news article: http://www.northjersey.com/news/94989224_Work_begins_on_making_Kane_Tract_open_to_the_public.html)
